HELPLINE NOS & COUNSELLING OF STUDENTS DURING AND AFTER COVID-19
OUTBREAK

- Ref : 1. UGC Letter No. F. No 1-1/2020 (Secy) dated 5th April 2020
2. Letter of the Hon'ble Director, Higher Education, Pune, dated 6th April 2020

In view of the outbreak of COVID-19 and the curfew/lockdown being implemented by the Central/State Govt for the safety of the people, students may be having different questions regarding their curriculum and examination schedule. Also, they might be having problems they need to share with someone. The College already has a Mentoring system in place for the students. The Mentors are available to the students for the resolution of the problems of the students and counselling. In addition to the mentoring system, to face this extra-ordinary situation in the wake of the COVID-19 outbreak, the College Administration has decided to offer help line nos for the students of the College. All UG and PG students of the College are, therefore, informed to contact any of the teachers they may be comfortable with and get their queries/anxieties resolved. The conversation will remain confidential and will not be shared with anybody else unless the resolution of the issue requires the involvement of the other concerned teacher(s). The Contact Nos of the following teachers shall serve as helpline nos for the students: Dr. Shirish Nakhate (9552562255) and Dr. G. W. Dhote (9975365971). In addition to these, the contact Nos of NSS Programme Officers Prof. K. Pakhmode (9404840950) and Dr. Shweta Vegad (9405533682) shall be available to the students.

All students are instructed to follow the Orders issued from time to time by the Government and Local authorities

Stay Home! Stay Safe! Stay Calm! Stay Positive!
